*Photo- & Videography*

Wonderful moments that should remain in vivid memory must be captured professionally. Your emotions and the atmosphere of the most beautiful moments of your life.

Our photographer couple will capture everything for you in pictures and video. You can of course also choose drone shots, but everything according to your budget. You choose the package that suits you, from getting ready to the party, or photos at other locations.

But we can discuss this in detail in a personal meeting.

An incredible venue designed with love and imagination will be the setting for your wonderful wedding. Our friendly and professional staff will serve you and your guests with the finest food and champagne throughout.

After the ceremony we will serve cocktails and canapés. After the sunset cocktail, a perfect dinner will be served in one of our restaurants overlooking the beautiful Aegean Sea.

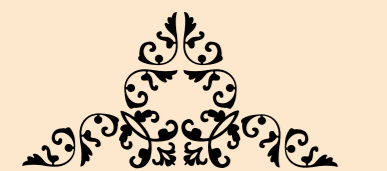

The party will be the highlight of your wedding and we will make sure that everything will be extraordinary. You can choose between 2 extraordinary locations. The same menu is served in all restaurants, from 55 euros per person to 95 euros per person, including starter, lobster bisque, salad, main course, lobster a la française, wedding cake and sweets as well as canapes, pre-wedding cocktail and a bottle of champagne for 4 people. If you and all your guests are staying with us, the wedding dinner is served free of charge.
